## COMMUNITY COMPLAINTS AND INQUIRIES

The Alloway Township Board of Education welcomes inquiries about and constructive criticism of the district's programs, equipment, operations and personnel.

Complaints, questions, and suggestions concerning school personnel or the operation of the schools should follow the established chain of command – teacher, supervisor, superintendent, board of education.

The superintendent shall develop procedures to investigate and solve problems promptly, and to provide accurate factual information in answer to inquiries. Such procedures shall conform to state law and applicable negotiated agreements.

Parents/guardians and students will be informed of the proper avenues to follow in the individual school.

When a board member is confronted with an issue, he/she will withhold comment, commitment and/or opinion and refer the complaint or inquiry to the superintendent.

Only in those cases where satisfactory adjustment cannot be made by the superintendent and the staff shall communications and complaints be referred to the board of education for resolution.

All signed complaints shall be acknowledged promptly.
