The Board recognizes the role of the Superintendent and/or Board member to include demonstrating, by work and example, respect for law and order, self-discipline, and a sincere concern for all persons under his/her authority. The Board and the Superintendent shall employ and maintain a well-trained staff at all levels and shall support the staff by enforcing discipline in accordance with district policies and New Jersey State Law. The Board recognizes its responsibility as well as that of the Superintendent to develop programs that provide for the needs of all students including those with special needs. The Board and the Superintendent shall be fair and consistent in rendering decisions regarding students whose behavior problems have been referred or appealed to the Superintendent and/or the Board of Education. It is essential that the Superintendent and the Board keep the community informed of all school activities through regular publications, announcements, meeting, etc.
