The Board believes that staff members shall demonstrate, by word and action, respect for law and order, and self-discipline, and require observance of school rules and regulations. Staff members shall continually seek appropriate resources to affect positive change in student behavior and shall reinforce such positive behavior.

The Board recognizes the essential role of members in providing direction and guidance so students can learn, think and reason and be responsible for their actions. To this end, members shall demonstrate their dedication and enthusiasm for teaching and learning. Staff members should seek to keep students and parents informed regarding student progress as well as treat students with respect and concern. The Board expects teachers to be consistent, fair and firm in dealing with students both in and out of the classroom. Staff members are further expected to provide input in the review and revision of school rules and regulations regarding student conduct.
