The Board of Education is cognizant of the value of students who have graduated from school or are attending other schools returning to visit and even counsel with former teachers. There is appreciation, too, that older students enjoy returning to former schools.

However, certain problems can arise from indiscriminate visitations, classes can be disrupted. In some cases, fights can disrupt. Students can roam the building causing perhaps a safety problem or showing disrespect for teachers and other students.

Therefore, the following policy will be observed:

1. The students must be authorized by an Administrator to visit the school during the regular school day.
2. Students visiting the school must obtain permission from the Administrator before making visitations in the building.
3. Students' visitations must be made to a specific individual or group with a stated purpose.
4. Visiting students must comply with all rules and policies of the school and must agree to obey all directives of adult staff members.
