Policy

TRANSPORTATION SAFETY

The safety and welfare of students shall be the first consideration in all matters pertaining to transportation. The Alloway Township School District directs the chief school administrator to oversee development of regulations to govern:

- A. Student conduct on buses;
- B. Inservice education for bus drivers to include:
 - 1. Management of students;
 - 2. Safe driving practices; recognition of hazards;
 - 3. Special concerns in transporting students with disabilities;
 - 4. Emergency procedures on the road; accident report;
 - 5. Information on required drug and alcohol testing.

Accidents

Forms shall be provided for the immediate reporting of all incidents involving a district-owned or contracted vehicle that include any of the following:

- A. Physical injury to anyone concerned, no matter how minor;
- B. Property damage of any kind, even if the financial loss is negligible;
- C. Failure of any mechanical function of a district-owned or contracted vehicle during operation, even if no injury or damage results.

It shall be the responsibility of the chief school administrator to direct an investigation on the report and to comply with the law. The information gained shall be considered in evaluating personnel performances, and in scheduling inspection of vehicles.

Training for Interacting with Students with Special Needs

The (*board or board of education contractor that provides student transportation services*) shall administer the New Jersey Department of Education developed training program on the proper procedures for interacting with students with special needs to all school bus drivers and school bus aides that it employs. The training program includes appropriate behavior management; effective communication; use and operation of adaptive equipment; and understanding behaviors that may be related to specific disabilities.

The training program shall be administered prior to that individual operating a school bus or serving as an aide on a school bus.

The (*board or board of education contractor that provides student transportation services*) requires that a school bus driver or school bus aide file a certification with the (*board or board of education contractor that provides student transportation services*) that the individual has completed the training program within five business days of its completion. The (*board or board of education contractor that provides student transportation services*) shall retain a copy of the certification for the duration of the individual's employment, and shall forward a copy of the certification to the New Jersey Department of Education.

The parent or guardian of a student with an individualized education plan shall complete the student information card when the individualized education plan is developed or amended for a student who receives transportation services. The student information card, developed by the New Jersey Department of

TRANSPORTATION SAFETY (continued)

Education, shall include information that should be readily available to a school bus driver and school bus aide for the purpose of promoting proper interaction with a student with special needs.

Upon receiving consent from a student's parent or guardian, the a copy of the completed student information card shall be provided to the student's assigned school bus driver and school bus aide.

Drills

Emergency evacuation drills shall be conducted regularly throughout the school year to acquaint the student riders thoroughly with emergency situations. An emergency evacuation drill shall be held as soon as possible after the opening day of school and then at least twice a year. NOTE: IF THE DISTRICT DOES NO BUSING, SUCH A DRILL MIGHT ONLY BE NECESSARY BEFORE A FIELD TRIP. ALL STUDENTS MUST RECEIVE EVACUATION INSTRUCTION AT LEAST ONCE WITHIN THE SCHOOL YEAR.

Vehicles and Equipment

All district-owned or contracted vehicles used to transport children shall be maintained in such condition as to provide safe and efficient transportation service with a minimum of delays and disruption due to mechanical or equipment failure.

All district-owned or contracted vehicles used to transport children shall conform with state standards for such vehicles and shall be equipped with all safety devices required by code and statute.

All passengers on buses equipped with seatbelts shall wear properly adjusted and fastened seatbelts or other child restraint systems at all times while the bus is in operation.

Bus Drivers

Drivers of all Type I and Type II school vehicles used to transport district students shall be licensed by the State of New Jersey as bus drivers. They shall comply with all state requirements on physical condition, criminal history clearance, etc. The district shall be in compliance with all drug and alcohol testing requirements of the Omnibus Transportation Employee Testing Act and implementing regulations and shall provide all bus drivers with required information on them (see policy 4219.23 Employee substance abuse). Bus drivers are responsible for the safety of students entering, riding, and departing their vehicle.
