

Policy

MEETINGS/COMMITTEES

The Alloway Township Board of Education considers it part of a staff member's professional responsibilities to attend such staff meetings as may be required for the proper functioning of a school, to serve on committees involved in curriculum development and textbook selection and to participate in parent/guardian-teacher organizations and functions.

School administrators shall seek to give sufficient notice of staff meetings, hold them to reasonable frequency and length, and make committee assignments equitably, taking into account provisions of current negotiated agreements.

All teaching staff are required to attend meetings called by the chief school administrator or his or her designee, unless otherwise noted.

Repeated failure to attend required meetings and failure to attend meetings when permission to be absent has been denied are considered serious by the administration and may result in disciplinary action.
