

COMMENCEMENT ACTIVITIES

The Alloway Township School District endorses graduation activities and ceremonies. The date of graduation shall annually be recommended by the chief school administrator and approved by the board.

Graduation shall not occur prior to completion of the required 180 days of student instruction.

Guidelines for Graduation Year Activities

Student participation in special graduation year activities will require conduct of the highest caliber in all school situations.

Criteria for exclusion from these activities concern consistent behavioral patterns and shall include, but not be limited to:

- A. Consistent involvement in disciplinary action(s);
- B. Suspension.

The final decision shall be made by the chief school administrator.

Students and parents/guardians shall be given advance notification of these criteria.

Graduation Procedures and Ceremonies

No student shall be barred from participation in graduation ceremonies for arbitrary or discriminatory reasons. A student who may be prevented from participation and his/her parents/guardians shall be notified in advance and no later than six weeks prior to the close of the school year.

The board reserves the right to deny participation in graduation activities when extreme circumstances warrant it. Such denial shall be treated in the same manner as a suspension and the student so affected shall be afforded the rights of review provided in policies of this board.

Further, the board recognizes that the cost of graduation ceremonies, if any, directly paid by graduating students and the cost of a yearbook directly paid by the graduating student may create a financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

The board will not exclude from the graduation ceremony any student who is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

Furthermore, the board will pay the cost for a graduating student to purchase a yearbook if the graduating student is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

In determining financial hardship, the criteria will be the same as the Statewide eligibility standards established by the State Board of Education for free and reduced price meals under the State School Lunch Program.

COMMENCEMENT ACTIVITIES (continued)Awarding of Diplomas

A board member shall present a copy of the Declaration of Independence, the Constitution of the United States and the amendments thereto, and the Constitution of the State of New Jersey and the amendments thereto to each student upon graduation from elementary school.

The president of the board of education and/or another designated member of the board shall award the diplomas. Board members and former board members shall be afforded the opportunity to award diplomas to their own children.

The board shall not prevent, or otherwise deny participation in, constitutionally protected prayer in any district school, consistent with guidance issued by the United States Department of Education and applicable judicial decisions interpreting the religion clauses of the First Amendment of the U.S. Constitution.
