“Once a Tiger, Always a Tiger”

Alloway Township Attendance Action Plan 2024-2025

Action Plan Rational: Student absenteeism can lead to low academic achievement, dropping out of school, delinquency and gang involvement. School districts that have established multi-systemic approaches and policies pertaining to student absenteeism typically experience fewer numbers of dropouts and a greater number of graduates.

Goal: The Alloway Township School will reduce the district-wide percentage of students deemed “chronically absent” as defined by the NJDOE and target the number of students absent from school between eleven (11) and seventeen (17) days.
