

School-Parent Compact

The Alloway Township School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the challenging State academic standards.

This school-parent compact is in effect during the school year.

School Responsibilities

The Alloway Township School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's academic standards by implementing a coherent curriculum aligned to state standards, utilizing best-practice instructional strategies, and providing individualized student support.
2. Hold parent-teacher conferences twice a year during which this compact will be discussed as it relates to the individual child's achievement during the November and/or March conferences.
3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide marking period report cards, reports on student progress on assessments and standardized tests, and summative progress reports for students receiving intervention services.
4. Provide parents reasonable access to staff through Parent-Teacher conferences, additional parent meetings as needed, phone conferences, e-mails.
5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities through PTA events.

Parent Responsibilities

The parents/guardians of students at the Alloway Township School will:

- monitor attendance, tardiness, and early dismissal pickups;
- make sure homework is completed when assigned;
- encourage motivation and a positive attitude;
- communicate with teachers when appropriate;
- stay informed by promptly reading all notices from the school either received in email, DOJO, by mail, or in students' folder and responding, as appropriate; and
- attend Parent-Teacher Conference Night and Meet the Seat Night.

We agree to work together, to the best of our abilities as educators and parents, to fulfill our common goal of providing for the successful education of our children.
